SIMON SYNERGY LLC
Web · Growth · AI for local businesses

SERVICE PACKAGES · 2026

From your first website to a business that *runs itself.*

Five clear packages, from a simple one-time website to custom AI systems that handle the busywork. Start small, move up when you're ready, and let us take the digital side off your plate.

Websites · Local Marketing · AI Automation

Proudly local · Seattle / South King County

HOW WE WORK

Simple process. No tech headaches.

You know your business. We handle the website, the marketing and the technology. Every package follows the same four steps, so you always know what's happening and what you're paying for.

1

Zoom Preview

Book a quick Zoom call. We'll have a custom preview of your website ready to show you live on screen before you pay a dime.

2

$500 All-In Start

Our $500 website is always the best starting point. That first payment covers the build, taxes, and Month 1 of hosting.

3

1-Day Live Upload

Once approved and paid, we upload your site to our live server within 1 business day so customers can use it right away.

4

Host & Scale

Starting Month 2, our low $29/mo hosting & care plan keeps everything running smoothly—and you can upgrade any time.

WHAT WE DO

🌐

Websites

Fast, mobile-first sites with click-to-call, maps, ordering, booking and contact forms, built for your customers and for Google.

📣

Local Growth

Google Business Profile optimization, local SEO, review generation and targeted social ads that reach people near you.

🤖

AI & Automation

AI assistants that answer customers 24/7, take orders and book appointments, plus automated follow-ups, invoicing and reporting.

1 day

1-day turnaround after payment. Your first $500 payment takes care of everything—custom build, taxes, and your first month of hosting. Once approved on Zoom, we upload your site to a live server within 24 hours.

THE PACKAGES

Get online & get found.

For businesses that need a professional home online, or want to show up when locals search for what they do.

RECOMMENDED STARTING POINT

TIER 1 · ALL-IN STARTER WEBSITE

Spark

The ideal starting point for any business: a complete custom website with Month 1 hosting and taxes included in one flat payment.

$500

all-in first payment (taxes + Mo. 1 hosting incl.)

Hosting & Care Plan: $29/mo (starts Month 2)

SUITE OF BENEFITS INCLUDED

- ✓ Custom mobile-first website designed around your brand
- ✓ **Easily added to your Google Page for 1-tap consultation/quote booking**
- ✓ Live preview walkthrough on Zoom before you pay anything
- ✓ Click-to-call buttons, directions & Google Maps integration
- ✓ Consultation, appointment, quote, or order form routed to your email
- ✓ **1st month of live server hosting & SSL security included**
- ✓ **All taxes included — first $500 payment covers everything**

WHY START HERE

A great website is always the best starting point. Get online fast with zero surprise fees, then add SEO, local ads, or AI automation whenever you're ready.

⏱ 1-day server upload turnaround after payment

MONTHLY HOSTING & CARE ($29/MO FROM MONTH 2)

Covers high-speed cloud server hosting, SSL security, uptime checks, domain management & up to 30 min/mo of text or photo updates.

TIER 2 · GROWTH

Grow

A full website plus the local search work that brings in new customers.

$1,200

setup

+ $79/mo

EVERYTHING IN SPARK, PLUS

- ✓ Up to 5 pages (Home, Services, Gallery, About, Contact)
- ✓ Online ordering, booking or quote-request system
- ✓ Google Business Profile setup and optimization
- ✓ Local SEO: page titles, keywords and service-area pages
- ✓ Automatic review-request link to grow your star rating
- ✓ Visitor analytics (who's visiting and from where)
- ✓ Monthly content updates and a one-page performance report

BEST FOR

Established local businesses with good reviews that aren't showing up when people nearby search for their service.

⏱ Live in 3-7 days

THE PACKAGES

Bring customers in & save your time.

For businesses ready to actively attract new customers and stop losing hours to repetitive tasks.

MOST POPULAR

TIER 3 · MARKETING

Reach

Targeted local ad campaigns that put your business in front of the right people nearby.

$1,500
setup
+ $349/mo + ad budget

EVERYTHING IN GROW, PLUS

- ✓ Targeted Facebook and Instagram ads to locals within your chosen radius
- ✓ Ad design and copywriting (images, short video, captions)
- ✓ Dedicated landing pages built to turn clicks into calls and orders
- ✓ Conversion tracking so you can see which ads bring customers
- ✓ Monthly campaign refresh and testing
- ✓ Up to 8 social posts per month written and scheduled
- ✓ Monthly strategy call and results report

BEST FOR

Businesses ready to grow that want a steady flow of new local customers without managing ads themselves.

⏱ Campaigns live in 7–10 days

ABOUT AD BUDGET

Ad spend is paid straight to Meta, not to us. Most local campaigns start at **$300–$600/mo**, and you set the limit.

TIER 4 · AI & AUTOMATION

Automate

An AI assistant and automated systems that handle the repetitive work for you.

$3,500
setup
+ $499/mo

EVERYTHING IN REACH, PLUS

- ✓ AI chat assistant trained on your business that answers questions, takes orders and books appointments 24/7
- ✓ Automated follow-ups: confirmations, reminders and "how did we do?" messages
- ✓ Customer database (CRM) that logs every lead and order automatically
- ✓ Automated invoicing and payment links
- ✓ Calendar and booking sync with your phone
- ✓ Missed-call text-back for customers who opt in
- ✓ Weekly dashboard of leads, sales and response times

BEST FOR

Busy owners who are losing customers to slow replies or spending evenings on messages, scheduling and paperwork.

⏱ Rolled out over 2–4 weeks

THE PACKAGES

Kick back. We run the system.

TIER 5 · FULL-SERVICE AI

Autopilot

Custom AI systems built around how your business actually works. We build it, run it and keep improving it.

$7,500+
custom setup
+ from $1,250/mo

EVERYTHING IN AUTOMATE, PLUS

- ✓ Custom AI agents for your workflows: inventory, scheduling, quoting, ordering
- ✓ AI content engine that drafts posts, emails and promotions in your voice
- ✓ Automated lead generation and follow-up sequences
- ✓ Connections to the tools you already use (POS, Square, Shopify, QuickBooks, Google Workspace)
- ✓ Sales forecasting and owner dashboard with plain-English insights
- ✓ Quarterly business review and growth roadmap
- ✓ Priority support and a dedicated point of contact

BEST FOR

Owners ready to scale who want the digital side of their business handled end to end, so they can focus on the craft, the customers or time off.

Phased rollout over 30–60 days

Email newsletter setup	**$200**	Rush delivery (any tier)	**+20%**

OUR PROMISE

👀 Live Zoom preview first

We walk you through your custom site live on Zoom before you pay. Once paid, we upload it to our live server within 1 day.

💯 $500 all-in first payment

Your first $500 payment includes the custom build, all taxes, and Month 1 of hosting—zero surprise fees at checkout.

📍 Local and reachable

You talk to a real person who lives in your community, not a call center.

🔓 No long-term contracts

Our $29/mo hosting & care plan (starting Month 2) and growth tiers are month-to-month. Upgrade or pause any time.

About results: No one can honestly guarantee specific sales or profit numbers, and we don't. What we can promise is better tools, more visibility and more of your time back. Businesses that put real resources and expertise into their online presence, marketing and automation are in a much stronger position to grow, and that growth is what every package is built for.

Let's build something *for your business.*

Book a quick Zoom call and we'll have your custom website preview ready to view live on screen—with 1-day server turnaround once you say go.
